## WHO WE ARE ...

- Established in 1968 to rescue and protect domestic and wild animals from abuse, neglect and cruelty.
- Have rescued and placed thousands of animals since our inception.
- Generous benefactors have provided financial support; with only 3 actual employees, volunteers have been the primary sources of support for the animals in our care.
- Always striving to increase our volunteer base, ensuring our animals remain well-cared for during their stay with us and into their new homes through post-adoption house checks and routine volunteer follow-up with adoptive families.

## WHERE WE ARE...

- Administrative Office in Fairfax City, VA
- Farm in Centreville, VA where the horses and dogs reside while awaiting new homes.
- Thrift Store in Fairfax City, VA, downstairs from the main administrative office
- Thrift Store in the City of Falls Church, VA

# WHAT YOU CAN DO...

***"Nobody made a greater mistake than he who did nothing because he could only do a little."***

***Edmund Burke***

The life-blood of any rescue organization is the volunteer support that truly keeps it running. We are continually trying to expand our volunteer base to ensure that, at any time, we have a number of committed individuals on whom we can depend for assistance and even on-call support. Volunteer activities include socializing with the animals, transporting them, working in our administrative offices and thrift stores, supporting us at public events, with humane education outreach programs, or any other area where a volunteer's particular area of skill can further the HSFC mission.

***For more information on volunteering visit the website at [www.hsfc.org](http://www.hsfc.org) or call the office at (703) 385-7387.***

## OTHER WAYS TO HELP...

If you are unable to give of your time or talent, but wish to support the Humane Society in some other way, we are always gratefully accepting "wish list" items such as bedding or treats for the animals, or other products that will help us provide the best care possible for them. Items can also be donated to the thrift stores; receipts are provided as all donations are tax deductible.
